

Home Page

To edit the homepage, you can follow the following steps:

1. **Log in to WordPress:** Access your WordPress dashboard.
2. **Go to Pages:** In the left sidebar, click on **Pages**.
3. **Open Home Page:** Find and click on **Home**.
4. **Edit with Elementor:** Click the **Edit with Elementor** button.
5. **Make Changes:** Use Elementor to edit your homepage.
6. **Save:** Click **Update** to save your changes.

“ Not all elements on this page can be edited. Some elements are plugins whose content is automatically updated. The "Our Articles" section cannot be edited from this page; instead, it must be managed from the [Post \(our article\) module](#).

Dual language

Each page on this website has a language setting. You must edit each page according to the language assignment specified for that page. For further settings, please move to [editing the other language](#)
